Please note: WYNK training is required prior to volunteering with us. It must be renewed every two years to stay current.

If you haven't been to training since 2008 (look inside your volunteer handbook for the date), you are due to come in again! Please sign up with Kathy Clark, to reserve your space in the WYNK class most convenient for you.

WYNK classes are generally held on Saturdays from 9 a.m. to 2 p.m. Please plan on attending for the entire class time.

Once you sign up, you'll receive a confirmation letter 1-2 weeks in advance of the training session with the exact location and agenda.

If you miss the training closest to you, we offer a conference call training. It's almost like being there live and in person! Please note the registration date cut off for these special sessions so we can mail out the materials to you in time.

Our schedule is subject to change so please make sure you sign up with Kathy. Thanks!
